Project Executive Officer,
Mangalore.

To

The Director of Community Projects
and Ex-Officio Secretary to Govt.,
Fort St.George, Madras 9.

Sir,

Sub: Community Projects - South Kanara - Rural Water supply - Sinking of a drinking water well in Aikala Koraga Colony in Aikala village.

*****

A Koraga (Harijan) Colony has recently been started in Aikala village to habilitate some families of this most backward class among the Harijans. There is no well in the colony at present. Before these Koragas are asked to settle there permanently they have to be provided with a drinking water well. They by themselves are not in a position to construct a well. Now, the villagers have come forward with a promise for a contribution of 25% of the cost of the work.

The site proposed is S.No. 159/2 at the site marked in the eye-sketch. It is an assessed waste Government land. The site has been approved by the Health Inspector (Community Projects). The work is in the list of works approved by the Project Advisory Committee.

The estimated cost of sinking the well is estimated at Rs. 1,950/- The villagers have promised to contribute 25% of the cost. The balance cost of Rs. 1,462-8-0 has to be met by the Community Project funds.

Detailed estimates, plan and ~~exx~~ site sketch are enclosed. I submit that sanction may be accorded for incurring an expenditure of Rs. 1,462-8-0 from the Community Project funds for the proposed well work.

PROJECT EXECUTIVE OFFICER.

G.O. Ms. 1267 dt. 14-5-53

Abstract- Community Projects- South Kanara Area- Drinking water Supply. Constructing a well at the Aikala Koraga Colony in Aikala Village- Estimate - Sanctioned

Read. From the P.E.O Mangalore - Ref. C. No. 1220/53. C dt 1.5.53

Order:-

Sanction is accorded to an expenditure not exceeding Rs 1425/- (Rupees One thousand four hundred and twenty five only) being three fourths of the estimated cost of Contribution Rs 1900 for Constructing a well at the Aikola Koraga Colony in RS No. 159/2 of Aikala Village. The balance of Rs 475/- required to complete the work should be met by Contribution from the villagers. (xx)

2. The expenditure should be debited to "63B Community Development Projects. II Community Projects. e. Health and Rural Sanitation (including drainage and water Supply) 4. Works."

3. The PEO. Mangalore should get the work executed according to the plan and estimate herewith returned approved and submit a completion report to Govt. in due course.

8.5.53 13/5/53

Note— Please see the letter from the PEO. Mangalore at P.1 CF. The PEO proposes to Construct a well for drinking water in Govt. lands, assessed as waste, for the use of the Koraga Colony recently started in the Aikala Village. The villagers have come forward to meet a fourth of the cost. The Health Inspector has approved of the site and the project advisory Committee has also approved the work.

The estimate has been scrutinized and the cost is reduced to Rs 1900 (from Rs 1950) by minor corrections in rates for items of work.

(xx) This sanction is granted against the provision in item II. E of the Projects estimates of 53rd approved by C.A.A in their letter No. C. A. A 33/5/52 dt 31.3.53

The well will be 8 ft in diameter and 35 ft deep. The soil particulars are; Gravel for 3 ft from G.L, laterite for 17 ft below and clay mixed with gravel for the last 15 feet. Steining will be provided for the 1st 3 ft and the bottom 10 feet. Where loose soils as gravel and clay with gravel respectively, are expected to occur. The whole inner face for a depth of 30 ft including the cut surface in laterite soil will be plastered, to prevent being worne out.

The depth of occurance of water has been determined with the aid of a water diviner. and this is expected at 30 ft below ground level. The soil particulars are judged with reference to other wells in the locality.

The cost of the well is within the Average cost obtaining in the area (as Compared with other estimates sanctioned). Sanction has so far been accorded for the Construction of 7 wells in this Area.

The estimate may therefore be sanctioned.
The draft order overleaf may please be approved and the estimate may also be signed
